Chapter 1 section 3 stay or go?

Migration → -internal migration

-international migration

Immigration → go into a country (immigrant)

Emigration → to leave a country (emigrant)

Push factors = bad things that make you want to leave

Pull factors = good things that make you want to go somewhere.

You got 3 types of migration:

Economic = work, money, wealth and school

Political = war, peace, terrorism, persuasion, good laws and government

Environmental = climate, natural disasters and space.
